### A good morning, every morning

-  One-touch brew action with auto-off makes it oh-so simple to make a complex and full-bodied cup of coffee.
-  Cafe-quality coffee without the wait. Make an 8-cup carafe in 6 minutes.
-  Easy cleaning. Glass carafe, carafe lid, filter basket, and showerhead are dishwasher safe and the plastic is BPA-free. One-touch descale button activates the descale cycle.

### Designed by professionals

-  **1500 WATT HEATER**  
Powerful and precise with advanced heating control brings water to an optimal brewing temperature quickly.
-  **PRE-INFUSION MODE**  
Mimics the artisan pour-over brewing method by giving the coffee grounds time to bloom.
-  **LARGE SHOWERHEAD DESIGN**  
Facilitates even saturation of coffee grounds and uniform flavor extraction.
-  **FLAT BOTTOMED FILTER BASKET**  
Allows for uniform extraction for ideal coffee flavor intensity and brew strength.
-  **TEMPERED GLASS CARAFE**  
Tempered glass carafe with comfort handle paired with a nonstick warming plate keeps your coffee at the perfect temperature for longer.

### What they're saying

"The Bonavita Metropolitan brews excellent coffee for a very reasonable price. It's simple to use, compact and easy to clean." - CNET
